## JAMES M'CLOSKEY'S CONDITION SERIOUS

TELEGRAPHIC NEWS STATES HE MAY NOT LIVE THROUGH THE NIGHT.

A telegraphic dispatch was received last night stating that the condition of James P. McCloskey was very low and he was not expected to live through the night. Mr. McCloskey was recently taken to San Francisco in a very serious condition and at present is in the French hospital. This is indeed sad news to his many friends in this community, as it was hoped that the change would be beneficial to him and word had been received that he had stood the trip well and his condition was progressing favorably.

Mr. Cafferetta, his partner in the Tonopah Club, when asked about the sad intelligence was moved to tears and said: "He is my associate and I love him. God bless him. He is dear to me. My prayer is he may live for years to come."

Just before going to press it was learned that Mr. McCloskey was sinking fast and that his physicians had stated that he had but a few hours to live.

## BASEBALL GAMES THIS AFTERNOON

A LARGE DELEGATION WILL GO TO MILLERS WITH THE EAGLES-ELKS.

This afternoon at the California heights ball diamond the Montana Tonopah and Tonopah Mining teams will cross bats. The game will commence at 3 o'clock sharp. The Tonopah team has been considerably strengthened and considering the close game they gave the Millers aggregation last Sunday will undoubtedly put up a first class article of ball. The Montanas are sore over their defeat by the Eagles-Elks and will do their best to redeem themselves.

The following is the line-up: Montanas: Westall, pitcher; O'Hara, catcher; Osgood, first base; Bailey, second base; Gregory, third base; Hunter, shortstop; M. Miller, left field; Baxter, center field; Jones, right field.

Tonopah Mining: Parker or Boykin, right field; Henry, second base; Parris, left field; Mauser, first base; Los Kamp, center field; Merton, catcher; McNeill, shortstop; Stanley or Parton, third base; Roberts, pitcher.

When the Eagles-Elks team leave for Millers this afternoon to meet the team of the mill city, there will be a large delegation accompany them. There will be a parade to the depot in which the Eagles' drum corps will join and also a large number of Eagles and Elks. The train will leave at 1:30 o'clock sharp and the round trip will be 80 cents. Immediately after the game the train will return to this city. The Miller's game should be one of the best yet dished up since the existence of the league. The teams will line up as follows:

Eagles-Elks: Campbell, catcher; Herd or Peck, pitcher; Malley, first base; Agnew, second base; Brown, third base; Perry, shortstop; Platt, left field; Morris, center field; Rogers, right field; Loring, sub.

Millers: Hust, catcher; Barr, second base; Calvert, shortstop; Phelps, center field; Heister, third base; Bradley, right field; Van, first base; Grier, left field; Coykendall, pitcher.

## DEMOCRATS HOLD MEETING

DEMOCRATIC COUNTY CENTRAL COMMITTEE NAME DATE FOR COUNTY CONVENTION.

The Democratic county central committee held a meeting yesterday in this city with practically a full attendance. The object of the meeting was to set a date for the Democratic county convention and apportion the number of delegates for each precinct in the county. The committee set the date of September 17 as the date for the convention and on September 5 the primaries will be held. The caucus to name delegates will be held on the evening of August 29. There will be about eighty-five delegates in the convention.

If you desire ruling or binding in a first-class manner call up the Bonanza and our solicitor will attend to your wants.

## DO YOU KNOW

That from October 1st, 1907, to June 1st, 1908, a period in which occurred the greatest financial disturbance experienced in the United States in fifty years, not one National Bank in Nevada, California, Idaho, Montana, Oregon, or Washington, was forced out of business by the stringency.

Is not a bank financially strong and sufficiently resourceful to have escaped the extreme effects of the panic of last fall worthy of your confidence?

Why not open an account with the "National."

## ARE DESIROUS OF RELEASING STOCKS

PLANNING TO ARRANGE THE AFFAIRS OF THE SULLIVAN TRUST CO.

An effort is being made to release the stocks held by Receiver Wildes of the State Bank and Trust company, and which constitute a pool formed at the time of the Sullivan Trust company failure, says the Carson News. At that time San Francisco brokers, creditors of the defunct promoting concern, threatened suit for the recovery of money due them. It was to conserve the interests of the concern and those of the State Bank and Trust company, which was also a large creditor, that the pool was formed. The State Bank and Trust company put up a number of shares to cover the indebtedness to the San Francisco brokers and the Sullivan Trust company contributed to the pool.

By this arrangement the stock was placed in trust with the State Bank and Trust company to be held so that operations on the various mines of the Sullivan Trust company could be continued. It was the intention of those interested in the pool to dispose of the stocks at a later date. The proceeds were to be divided among the brokers and the State bank, which were to receive 40 per cent each, and the remaining 20 per cent to the Sullivan company. By pooling the stock and continuing work it was estimated that the brokers would receive their money and that all the indebtedness of the Sullivan company could be paid. The pool at the time it was formed, represented about \$1,000,000.

Shortly after the pool was formed the panic came on. The securities could not be realized on, and shortly afterwards came the failure of the bank. The appointment of a receiver placed the bank's portion of the pool in his hands, and nothing has been done to satisfy the demands of the San Francisco creditors.

Herman Zadig and other San Francisco brokers came here Sunday and went to Goldfield with President Rickey. The object of the conference was to form some plan whereby the objects of the pool could be accomplished. Nothing definite has been done in the matter, as it will require an order of court to release the pool. Plans of some kind are being prepared and it is probable that the matter will be brought before Judge Langan when he comes here, or at Goldfield, if the plans mature earlier.

## SOME RICH ROCK FROM GOLD REEF

JAMES GRIMES BRINGS IN RICH ORE FROM TOGGERY NO. 2 PROPERTY.

James Grimes, who is operating a lease on the Toggery No. 2 ground at Gold Reef, came in from that district last evening bringing samples of the quartz at the bottom of the shaft. The quartz ledge is about fourteen inches wide at present and will assay about \$100 a ton. The shaft is down close to fifty-seven feet and it is the intention of the leasers to sink to a depth of 100 feet and then commence drifting.

Mr. Grimes stated yesterday that he had let a number of leases on the Toggery ground and also several on the Kanakee ground, which adjoins.

## ANIMAL BEATER FOUND GUILTY

JURY FIND LITTS GUILTY BUT RECOMMEND THAT HE BE GIVEN LENIENCY.

The case of G. W. Litts, charged with cruelty to animals, was heard yesterday in Judge Brissell's court by jury trial and the jury after a short deliberation returned a verdict of guilty with a recommendation for leniency. His honor will pronounce sentence Monday.

## VOLUNTEERS START ON GYMNASIUM

THE WORK OF CLEARING AWAY THE LOT STARTED YESTERDAY.

The work of removing the shacks on the lot where the volunteer firemen's gymnasium will be erected, was commenced yesterday and by tonight the lot will be clear and the work of excavation started. Quite a number of volunteers were present yesterday and helped in the work and it is expected that nearly the entire force will show up this morning to lend aid. All the work of excavating will be done by the volunteers so as to save that additional expense.
